Majors and Graduate Programs Fair

The Majors and Graduate Programs Fair is a come-and-go event that showcases all academic areas at FHSU. The fair will have representation from every academic department, Career Services, Honors College, Study Abroad, Center for Civil Leadership, Experiential Learning, Graduate School and the Academic Advising and Career Exploration Center in one location to answer academic inquiries for current and prospective FHSU students.

This is a great opportunity for students to gather information to assist them in their educational planning. A well-developed educational plan allows our students to use the knowledge and resources of today to help them plan the future they want. While a student's major gives them direction on course work to take to achieve an undergraduate degree, the Majors and Graduate Programs Fair can provide a greater understanding of additional educational opportunities that can increase their marketability (certificates, research, graduate school, study abroad).

If you would like to have your class attend the event as part of a course expectation or extra credit opportunity, **attendance tracking is available**. Please email your name, course name and section number to n_brown2@fhsu.edu and I will send you a list of students that attended from your class the week after the fair.

Note that we would encourage students to complete the FHSUMajors.com assessment prior to attending the event. This is a free assessment available to all enrolled students. It is accessible in TigerTracks under the Online Services tab.

For more information go to <https://www.fhsu.edu/aace/majors-and-graduate-programs-fair/index> or <https://www.facebook.com/aacefhsu/>.

Thank you,

-Nikki Brown, Assistant Director, Academic Advising and Career Exploration Center
